

# **PETITION** TO ABOLISH THE USE OF ELECTRONIC VOTING MACHINES, AND ENFORCE PROOF OF CITIZENSHIP WITH COUNTY RESIDENCY, AND NO RANKED CHOICE VOTING

**We the People** of Tennessee do hereby demand the immediate removal of ALL Electronic Voting Machines. Pursuant to the Constitution of Tennessee and for security and the integrity of our elections, we demand hand counted paper ballots which will increase confidence in our election results.

Further,

**We the People** of Tennessee do hereby demand that proof of citizenship and residency be verified and validated prior to casting a vote. Along with this should be a one person one vote policy pursuant to the Constitution of Tennessee. We demand criminal enforcement of the standing laws.

Further,

**We the People** of Tennessee do hereby demand ranked choice voting never be instituted within our state! The People of Tennessee will do their own ranking as they cast their own ballot and do not need government administration helping to promote the best candidates by any sort of ranking systems.
